# Colours and Materials

CRAFTING SEA DREAMS

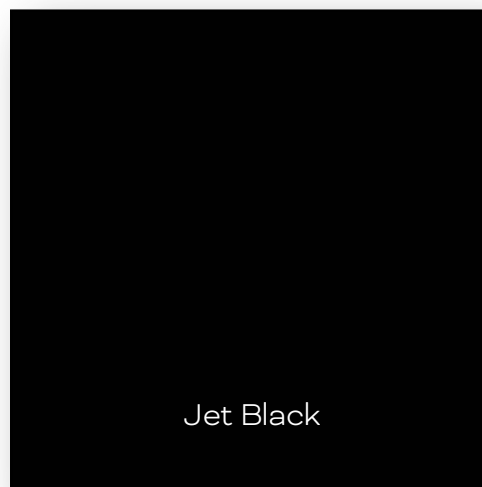

## GRP COLOUR HULL & DECK

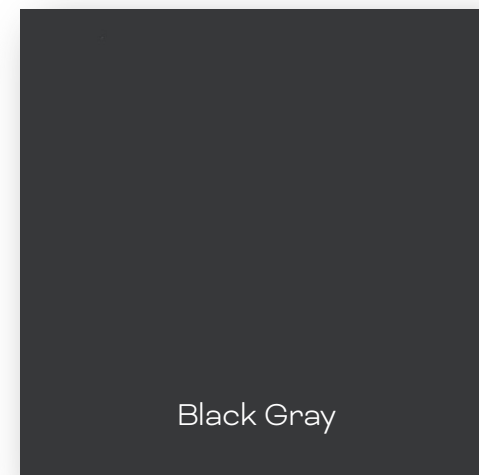

We have selected a premium quality gelcoat supplier, the famous BÜFA from Estonia.

Out of their colour palette we have chosen 4 colour options for your vessel

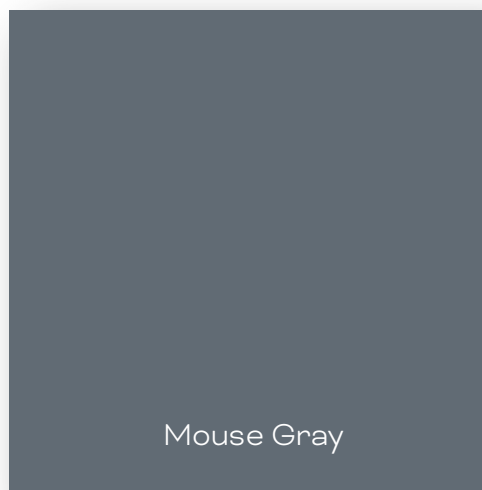

- RAL 9005      Jet Black
- RAL 7021      Black Gray
- RAL 7005      Mouse Gray
- RAL 9003      Signal White

Jet Black

Black Gray

Mouse Gray

Signal White

## FLOORING

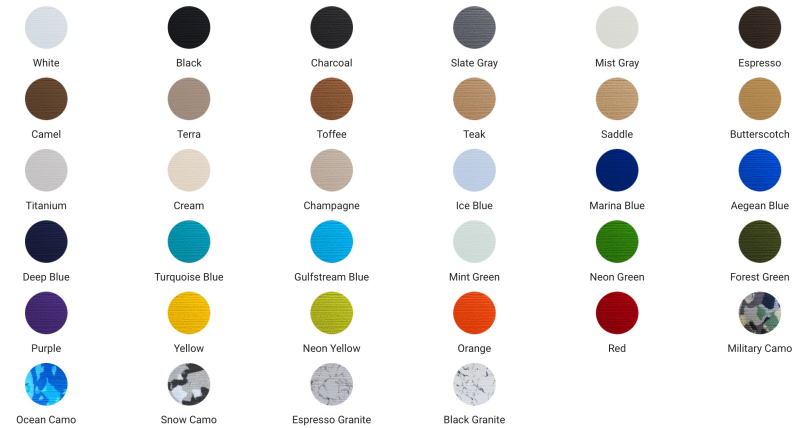

All our vessels are equipped with EVA Foam flooring from MarineMat in the U.S. MarineMat works in layers, we can choose any two from their palette and create our chosen combination of main colour and margins.

We offer additional decking solutions in **real Teak** from Burma or synthetic materials like Esthec.

Esthec

## UPHOLSTERY

We have chosen the best fabrics from renowned Spradling, intended for Marine Exterior use.

The fabrics we use have UV filters to protect from sun fading, are easy to clean and quick to dry.

Spradling offers a wide range of fabrics and colours. Out of their entire palette, we have chosen 3 series that best suit our vessels.

**Linnetex** – with Permacool which makes the fabric 20% cooler than others

**Maglia** – which has a beautiful pattern

**Marlin** – the classic faux-leather series
